In order to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrons of the Fine Arts desirons of having Portraits on Porcelain, the Company have imported from Europe a collection of superior porcelain geods, manufactured to their own order, which they sell at cost prices.

As the American Company are swaem of the patent right, and consequently the only persons subscrimed to use the process, they have determined, in order to afferd People in every section of the Union an opportunity to possess Portraits on China, to make the following proposition to residents in the country, whe are unable to visit personally the Atelier and Galleries in New York: Persons sending a photograph, ambretype, or daguerreotype to the office of the Company in New York, accompanied by rive Bolliam, will receive in return by express, free of other charge, a righly ornamented Breakfast Cup and daucer, with the partrait transferred thereon.

By transmitting a daguerreotype and me normal, they will secure in like manner, a handsons Franch Vase or Toilet Article, with the partrait reproduced by the patented process.

By sending a pair of daguerreotypes and receive mainture paintings; and, in like manner, portraits was be reproduced on porcelain wares or Years of every quality of finish, ranging in price from Twenty to Case Hundred dollars the pair.
